

Machine Modelling and Simulations 2021

13 – 15 (save new date for the conference) September, 2021

The 26th International Slovak-Polish Scientific Conference on Machine Modelling and Simulations continues in the Slovak Republic and will be held from 7th to 9th of September 2021 in Hotel Alexander, Bardejovské Kúpele, Slovak Republic. The international conference was established in 1996 and is held annually every year. Papers from last year conferences were published in Bulletin of the Polish Academy of Sciences: Technical Sciences, indexed in WoS.

Important Dates

Review process

08-09/2021

Conference program

31 August 2021

Deadline for submission of revised papers

10 October 2021

Main Topics

- Methods and systems in machine design
- Modelling and simulation, structural optimization
- Machine dynamics and multibody systems systems simulations
- Advanced industrial, automotive and green energy applications
- Experimental mechanics, identification and validation
- Modelling of structural materials, composites and nanomaterials
- Physical, chemical and mechanical properties of materials

Accommodation and Venue

The accommodation of conference participants will be provided by the Hotel Alexander in Bardejovské Kúpele, Slovak Republic. For more information, please visit <https://www.hotelalexander.sk/> and <https://www.youtube.com/watch?v=fMoWPZXw7Us>

The Faculty of Manufacturing Technologies (FMT) has a tradition in research and development and transfer to applicable outcomes (registered patent, invention, and industrial design). The Faculty of Manufacturing Technologies caters for a wide range of educational needs not only in the East-Slovak region, but throughout Slovakia and Central Europe, as in many specializations it is the only centre of education and research in this area. The Faculty of Manufacturing Technologies closely cooperates with other universities and with industrial organizations throughout the region and the Slovak Republic. Faculty has a seat in Prešov, in the third largest city in the Slovak Republic with population of 90 000. Prešov is situated on the banks of the river Torysa in the northern part of the Košice basin surrounded by Slanské Hills and Šariš Highlands. Prešov is the metropolis of Šariš Region and the seat of the largest Self-governing Region of Slovakia. The city is divided into four cadastral areas: Prešov, Solivar, Šalgovík and Nižná Šebastová. At present, Prešov has an area of 74 km².
